Re: CC Docket No. 96-45
Interstate Common Line Support and Long Term Support – ICLS
Annual Certification Filing

This is to certify that Northern Arkansas Telephone Company, Inc. ("the company"), will use its Interstate Common Line Support and Long Term Support only for the provision, maintenance, and upgrading of facilities and service for which the support is intended.

I am authorized to make this certification on behalf of the company named above. This certification is provided for all study areas under the common control of the company, and which are listed below.

RECEIVED ROOM

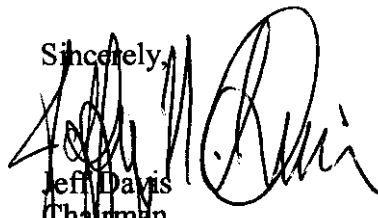

RE: USF Certification Pursuant to 47 USC 254(e)
CC Docket No. 96-45 and WC Docket No. 06-64

Dear Ms. Dortch

On March 22, 2007, the Missouri Public Service Commission (MoPSC) authorized New Florence Telephone Company, Tiger Telephone, Inc., and Direct Communications Rockland, Inc. to enter into and perform in accordance with the **terms** of a Stock Purchase Agreement, satisfying the necessary requirements for certification for receipt of universal service funds.

The MoPSC was informed that the stock transfer transaction was completed effective April 1, 2007. The MoPSC has also been informed that the Section 214 application approval from the Federal Communications Commission became effective by operation of law on April 1, 2007. Therefore, the MoPSC hereby certifies that, as of April 1, 2007, New Florence Telephone Company **has** certified to the MoPSC that it will use high-cost universal service support in accordance with Section 254(e) of the Telecommunications Act of 1996 (47 USC § 254(e) 1996).

Sincerely,

Jeff Davis
Chairman
